Pluth thanked the Engineer for the sanding of roads this morning in Emmet County due to the icy conditions. Davis-Oeth stated that secondary road crews are still out on rounds sanding & hopefully this will help with the breaking up of ice on the gravel roads. Davis-Oeth stated that his upcoming 28E Agreement is coming due between Palo Alto and Emmet County's sharing agreement and he would like to make a couple of changes, which he will discuss with the Board at a later time.

Supervisor Pluth wanted to note to the Board and others and express thanks to the Armstrong Benefitted Fire District, who recently donated a used pickup to Emmet County Secondary Roads. This pickup will replace the truck that was recently wrecked. The entire Board expressed their gratitude to the Fire District.

The Board made appointments and reappointments to various committees. Motion was made by Schumacher, seconded by Pluth to approve the appointments to the committees as follows. All ayes, motion.
