Motion by Schumacher, second by Hash to approve the following joint drainage district claim and forward to Dickinson County for payment: Drainage District Vendor Amount Work Performed

Drainage District	Vendor	Amount	Work Performed
ECD 61 BR 61	Jacobson-Westergard	\$1,308.40	Professional Services

Motion by Glasnapp, second by Hash to proclaim September 2020 as National Voter Registration Month and September 22, 2020 as National Voter Registration Day. All ayes, motion carried.

Auditor Sathoff presented the Iowa Secretary of State's Vote Safe Iowa Initiative Grant Agreement. Sathoff explained that \$17,200 allocated to Emmet County will be utilized to protect Precinct Workers from exposure to COVID19 for the November 3, 2020 General Election. Some of these protections will be plexi-glass barriers, a ballot-folding machine and an absentee ballot envelope-opening machine. Motion by Quastad, second by Glasnapp to sign the grant agreement. All ayes, motion carried.

The Board reviewed the monthly Treasurer's report.

Hash and Sathoff reported on the meeting of the CARES Act Committee. The State of Iowa has allocated \$116,739.09 for Emmet County. As a matter of administrative convenience in the light of the emergency nature of this program, local governments may presume that 25% payroll costs for public health employees and 25% of payroll costs for public safety employees are payments for services substantially dedicated to mitigating or responding to the COVID-19 public health emergency. Heidi Goebel in the Auditor's office is presently gathering all the information the State will require for the September 15, 2020 deadline. If Emmet County does not have enough for the first round, we will for sure have it for the second round.

Once funding is secured, the Committee will bring recommendations to the Board regarding how to utilize the funding.

Public Health Nurse, Kathy Preston joined the meeting and Chairman Pluth shared that he would be meeting with a contractor regarding the Annex roof issues.

Preston reported that there are 230 positive cases of COVID19 in Emmet County. She also reported that Emmet County Public Health would be doing all the contact tracing for Emmet County Schools and the College.

Environmental Health Director, Aimee Devereaux joined the meeting and shared that she had met with Preston last week and did hand in her resignation. Her last day will be October 2, 2020. Devereaux will be going to work for the Des Moines Area Community College. Schumacher and Pluth thanked Devereaux for her hard work and service to Emmet and Palo Alto County. Devereaux and Preston recommend that going forward the position should be full time and not shared with Palo Alto County, especially if the new employee does not have experience. Devereaux shared a summary with the Board of what the position all entails. Devereaux also shared that there are many different venues to recruit for the position and that other counties are willing to mentor. The Board discussed various options for the position and Pluth will be in contact with Kathy Preston by the end of the week so that they can move forward with recruitment efforts.
