Chairman Pluth called the meeting to order. The Board and all present recited the Pledge of Allegiance. Motion by Quastad, second by Hash, to approve the minutes from last week's meeting, also approving them for publication. All ayes, motion carried.

During Public Forum, Glasnapp reported that EMA Director Sheridan has ordered the approved trailer. Sheridan did obtain another bid but it was higher than the approved bid.

Pluth & Schumacher shared information regarding the Mental Health Region Emmet County is presently aligned with. Since Emmet County is no longer contiguous with the County Social Services Region, the Department of Human Services is pushing Emmet to join a contiguous region. The Sioux Rivers Region has indicated that they would like to come and give a presentation to the Board.

The Board shared various meetings they will be attending within the next week.

Emmet County Engineer, Walter Davis-Oeth reported that the shouldering on the N26 project is done and striping should begin next week. Dan is currently working on projects for next year and trying to include the last section of A13. As of last Friday, Davis-Oeth reported that there was only 400 tons left to go on the extra gravel that was approved. He reported that shoulders were widened on the curves south of Wallingford. Crews will begin ditch cleanouts after harvest is complete.

Quastad asked if it looked like the gas barrel and electrical hookup for the snow mobile club would work. Davis-Oeth said he was not opposed to the placement.

Schumacher & Quastad discussed a recent weed spraying meeting they had with area farmers. They asked Davis-Oeth to determine the number of miles of right away Emmet County sprays and the average cost also. Davis-Oeth explained the current weed spraying process.

Davis-Oeth shared that Emmet County has received the reimbursement for the pup trailers and that backhoe and loader purchases are planned for this fiscal year.

Resolution 20-14 was presented to the Board and reads as follows:

**RESOLUTION 20-14
RESOLUTION OPTING OUT OF THE PRESIDENTIAL DIRECTIVE TO DEFER
THE PAYMENT OF EMPLOYEE SOCIAL SECURITY TAX**

A resolution by EMMET County to opt out of the Presidential Directive to defer the payment of employee social security tax.

WHEREAS, a Presidential Directive to defer the payment of the social security tax has been signed on August 8, 2020 proving for the deferral of the employee's portion of social security taxes for certain employees for the period beginning September 1, 2020 through December 31, 2020.

WHEREAS, Emmet County feels that the opt-out is necessary because Emmet County Employees would have to pay the taxes later and Emmet County could be held liable for repaying for anyone who leaves county employment in the meantime.
